

Do you know a new immigrant who is looking for **Canadian volunteer work experience**? To improve their **communication skills**? To make **new friends**? To better **understand their community**? To **build confidence**? The Library Champions Project offers all of these things and much more.

Since 2013, 800+ Library Champions have received training and volunteer work experience! New Library Champions Groups will begin soon – to learn more about the project, attend one of the **Information Sessions**. Please post the attached flyer and share this opportunity with your clients, fellow staff members and friends. Seats are limited and interest in this project continues to be very high!

To **register for one of the information sessions**, go to:
